

CORISON
NAPA VALLEY

**2003 Corison
Cabernet Sauvignon**

Packed with luscious Bing cherry and plum chutney fruit. Rich and complex with undertones of cocoa, nutmeg and "Rutherford dust". Lush with gentle, mouth-coating tannins, this wine gracefully walks the line between power and elegance.

"Good full ruby. Sweet aromas of cassis, blackberry, licorice and violet. Juicy and sweet with excellent clarity of flavor. Bears a strong resemblance to the 2002. A firmly built wine, with excellent acidity and inner-mouth energy. Finishes with noteworthy persistence and subtlety of flavor. **90-92.** "
